WHAT IS INTERPLAY?

An easy path to an embodied life through affirmation, community and play!

Interplay is a philosophy and set of simple, body-centered activities that creates art from life in solo, partner, and group play. It invites us to make stuff up in the moment, to have fun, laugh with others, discover ourselves, and claim body wisdom as a path to having grace, ease, and fullness in our lives. InterPlay emphasizes the power of affirmation and re-teaches adults the ability to be spontaneous – that profound process of using one's inner resources to interact with and enjoy the world. It is accessible to people of all ages and abilities and has been used with folks from 5 to 85.
