Ancestor's Breath

An All Soul's Performance

Our bodies, our world & our spirit is connected to the ancestors...whose breath lives in ordinary objects and experiences we encounter each day; in songs and stories we carry in our hearts; and in rituals and archetypes that accompany us throughout our lives. Come explore this connection through poetry, dance, story & song with *Outta Da Blue* and friends.

Friday, Oct. 28th, 2005

7:00 pm

First Unitarian Universalist Church of Nashville

1808 Woodmont Blvd.

(Love offerings gratefully accepted - \$10 suggested)
